PYRAMID of LEARNING

1. Central Nervous System
   - Sensory
     - Visual
     - Auditory
     - Olfactory
     - Tactile
2. Systems
   - Motor Planning
   - Motor Skills
   - Reflexes
   - Body Scheme
3. Development
   - Ability to Screen Input
   - Awareness of Two Sides of Body
   - Postural Maturity
   - Reflex Maturation
4. Development
   - Attention Centre Functions
   - Visual-Spatial Preception
   - Auditory Language Skills
   - Eye-hand Coordination
5. Development
   - Intellect
   - Academic Learning
   - Daily Living Activities
6. Cognition
   - Behaviour
   - Perceptual Motor
