SUMMARY:

o We have no concerns regarding the child’s vision or hearing at this time, based on parent interview,
  family/medical history review, developmental skills related to vision or hearing, and our joint observations.

o We have identified high risk factors, signs, and/or observations, as noted above, for:
   ☐ ☐ o Vision  o Hearing

   Note: These concerns and a follow-up plan will be addressed in the Family Partnership Agreement. Action taken and
   results will be discussed at the six-month review.

o Follow-up option recommended:
   Referral for further evaluation by a pediatric ophthalmologist or pediatric audiologist, following approval
   of primary care physician.
