CULTURALLY RESPONSIVE

Standards for Professional Development

Professional development that supports the full participation of every early learning professional builds on an early learning professional’s diverse strengths rooted in their unique culture, heritage, language, beliefs, and circumstances by fostering a sense of belonging and supporting positive professional relationships.

Cultural Responsiveness

The ability to learn from and relate respectfully with people of your own culture as well as those from other cultures.

Guidelines in Action

The Culturally Responsive guidelines provide a lens for professional development creation, delivery and evaluation for everyone involved in professional development of early childhood educators.
